

Saturday 13th June

10AM - 1PM

**Radwinter Pavilion, Recreation Ground
(opposite Radwinter Primary School)**

What is a Repair Café?

The Repair Café is all about sharing skills that will help in repairing items, with an aim to prolong their use and avoid throwing things away and unnecessary waste.

Visitors bring their broken items from home, and together with the volunteer experts, they attempt repairs in the Repair Café.

We have many talented fixers who can have a go with fixing your repairs, so book in and bring them along!

If you have nothing to repair, come along for some tea and cake!

Contact RadwinterRepairCafe@gmail.com

to book in
